

GUIDELINE & ASSESSMENT OF RESEARCH METHODOLOGY

1.0 Quiz Teacher-made test comprising presentations of Units 1-3 in this format:

1.1 Topic-

Tutors must encourage students to choose topics that can be used for their project work.

1.2 Unit 1: Introduction

Background to the Study

Statement of the Problem

Purpose of the Study

Research Objectives/Questions/Hypothesis

Significance of the Study

Delimitations

Limitations

Definition of Terms

Organisation of the Study

Chapter Summary

1.3 Unit 2: Literature Review

Empirical Review

Theoretical Framework/Conceptual Base of the Study

Chapter Summary

1.4 Unit 3: Research Methods

Research Design

Study Area

Population

Sampling Procedure

Data Collection Instruments

Data Collection Procedures

Data Processing and Analysis

Ethical Considerations

Chapter Summary

1.5 Questionnaire

1.6 Budget & Timelines

1.7 References

- 2.0 Quiz 2 will be made up of 20 Multiple-Choice Questions (MCQs) which will be written during End of Semester Examination.
- 3.0 The End of Semester will be made up of 40 MCQs as indicated in the Course Outline.
- 4.0 The individual student's final proposal will constitute 20 marks of the End of Semester Examination which will include: **1.1, 1.2, 1.3, 1.4, 1.5, 1.6 & 1.7** as indicated above. The Final Proposal will be submitted by students to the Centre Coordinators for onward submission to UCC team of Invigilators who will be coming for supervision of the End of Semester Examination at the various Centres.
- 5.0 The Institutional Affiliation Office will provide guideline for Project work supervision in due course.
- 6.0 The Institutional Affiliation Office will indicate the number of groups and students per each group for each centre.
- 7.0 After the formation of groups, the Coordinator for each Centre will assign the group(s) to tutors who will supervise their project.
- 8.0 Tutors who will be supervising the project will guide the students in writing their proposals.
- 9.0 Out of the individual student proposal, the groups will select a member's (student) proposal to develop it as their project work.
